

## Searching Web Resource Center by Location in Find Organizations

To search for providers that deliver services based on the location (county) of their primary address you can use the Find Organizations tab.

### Click on Find Organizations

The screenshot shows the homepage of the West Virginia Aging & Disability Resource Network (ADRN). The header features the West Virginia logo on the left, the text "West Virginia AGING & DISABILITY RESOURCE NETWORK" in the center, and a map of West Virginia on the right. Below the header, there is contact information: "Mailing: 1900 Kanawha Boulevard, East Charleston, West Virginia 25305" and "Location: 3003 Town Center Mall Charleston, West Virginia 25389". A toll-free number (866-987-2372) and fax number (304-558-2357) are also provided. A navigation menu includes "Home" and "Provider". A sidebar on the left lists "Home", "Find Organizations" (highlighted with a red box), "Search Assistance", "Knowledge Center", "Community", "Send a Comment", "Contact Us", "How to use Site", and "Help". The main content area has a "Welcome to the West Virginia ADRN!" message and a "Login" form with fields for "Email Address" and "Password", and a "Login" button. There is also a "Create a Provider Account" link.

### The Find Organizations Page opens by default with the State selected by default

The screenshot shows the "Find Organizations" search page. At the top, it says "Quickly find a service provider alphabetically by clicking on the first letter of the service provider's name." Below this is a navigation bar with letters A-Z. The "Search by Provider" section has a "Search For:" input field and a "Search" button. The "Advanced Search" section has several filters: "Services" (dropdown menu with "Adult Day Care" and "Adult Family Care Homes" selected), "Select your State" (dropdown menu with "WV" selected), "Enter your Zip code" (input field), "Distance in miles [optional]" (input field), "Location" (dropdown menu with "BARBOUR", "BERKELEY", "BOONE", and "BRAXTON" selected), and "Areas Served" (input field). A red callout box points to the "WV" selection in the "Select your State" dropdown, with the text "State is defaulted to WV". Below the filters are "Results per page" (dropdown menu with "10" selected) and "Search" and "Save Search" buttons. A note next to the "Location" dropdown says "Note: Locations are filled based on state selection."

## To Search by location of provider address:

Select the services you are trying to find (allows multiple selections) and the location in question
